

Completeness Check

- All information in the status area must be green
- Clicking on links to left of red in status area directs you back to the forms which need additional information

5

Disclaimer

Information shown on screens for this tutorial was taken from test data developed for the hazardous waste reporting program. Device, process, and other information from existing facilities were used for illustrative purposes only. Existing facility data was used to show typical usage of screens in the program. None of the information presented in the following screens should be viewed as accurate information.

Completeness Check

The Completeness Check summarizes the work done and what still needs to be completed before the data can be submitted. It can be used to check your work at anytime without affecting other parts of the program. Unless each item listed in the Form section of the page displays a green “Complete” message under the Status section of the page, you cannot submit the data. Clicking on the links in the Form section will take you directly to each of the forms with incomplete information.
